

Please note: **Changes that are in bold and underlined will go into effect MONDAY, September 20th.**

ORANGE and BLUE routes - Please check times as we have moved the southern part of Greenbush Road to the Blue route. This means a later pick up for the south part of Greenbush Road and for East Thompson's Point Road.

Major changes have been made this year, please check closely for which color bus your student will take. Please have your student(s) at their stop 10 minutes early for the first week or two while we dial in our times.

For afternoon drop offs, the buses will be leaving the school at 3PM. Students will arrive home at approximately the same time past the hour as the morning. For example, if they are picked up at 7:15, they should arrive home by 3:15. Afternoon runs do tend to be quicker than morning runs, so if your student is picked up at 7:45, they may be home as early as 3:30, depending on how many students are riding. Students in K-2 should be met by an authorized adult at their stop.

RED

7:05 - East on Lime Kiln from Mt Philo Road

7:10 - North on Spear Street, turnaround
