

Please note: Major changes have been made to the **RED** route. Students that live **north of the stoplight on Route 7** will now ride **RED** bus. Please have your student(s) at their stop 10 minutes early for the first week or two while we dial in our times.

How to figure out PM drop off times – the buses will pull away from CCS at 2:50pm (1:50 pm on Wednesdays). If your AM bus route leaves the school at 7:00 and picks up your child at 7:20, you take 2:50 (or 1:50) and add 20 minutes.
