STATE and LOCAL TAXES

This project is tax exempt. State and local taxes applicable to the project will not be included in the bid.

BID REQUIREMENTS

1. The Bid Form is included in this manual and shall be completed in total and signed by an authorized representative of the Bidder.
2. The bid shall remain valid for forty-five (45) days from the Bid Due Date.
3. The Quotation shall be lump sum, all-inclusive, FOB job site, including any and all costs for labor, materials, equipment and permits.
4. Exclusions to any of the work shall be clearly stated with the bid.
5. When a particular make or trade name is specified it is meant to establish a quality standard and is not intended to eliminate a competing manufacture of equal or greater quality. Owner must approve prior to bid.
6. Bidders shall include a completed Form W-9 with bid
7. The cost of a 100% Payment and Performance Bond is required to be included and itemized in the bid. The owner may choose to forgive the need prior to the bid award.

MISCELLANEOUS INCLUSIONS

1. All work must be in strict accordance with local, state and federal codes and requirements.

2/18/19

2. Mechanical and Electrical contractors must supply owner with copies of permits prior to the start of the project.
3. All materials provided will be Asbestos Free and a letter to the owner will be provided at the completion of the project that states all materials used were free of Asbestos containing material.
4. The Owner will not be responsible for costs incurred by overtime work required to meet the aforementioned schedule.
5. Contractor will insure the protection of Owner's property during construction. Contractor will protect materials brought on to the school grounds from damage and the elements.
6. In-building storage of material will be allowed as designated by the owner. All trash and leftover materials to be hauled away at contractor's expense.
7. **No Smoking permitted on school grounds or any other tobacco products are permitted.**
8. Job site clean up on a daily basis to a dumpster provided by the Contractor is part of the scope of work associated with this project. In the event that the contractor does not adequately perform clean up of its materials, then the work will be provided by the Owner at a cost of \$50.00/hour for each individual employed in the clean up process. The cost of it will be deducted from the contractor's contract amount.
9. Contractor will provide all equipment necessary for this project. It is not anticipated that a separate contractor will be needed to complete this work. If the bidder feels additional subcontractors of any kind are necessary, these subcontracts should be noted in the exclusions/qualifications section of the bid form.

TERMS of PAYMENT

1. The Board of School Directors will make payment to the successful Bidder within twenty (20) working days following approval of the Payment Requisition by the Owner and the Owner's representative.
2. Owner will withhold 10% of the successful Bidder's requisitioned amount until work is satisfactorily completed and accepted by Owner.

WORK LOAD

1. The bidders will state their current workload (i.e. jobs in progress at the time of bid) and will clearly indicate their ability (by statement) to perform in accordance with the schedule enclosed herein

DISCREPANCIES

In the event of conflicts, discrepancies, errors, omissions or work shown but not specified or vice versa, it shall be brought to the attention of the Owner, in writing, requesting clarification in the matter.

2/18/19

Irregularities in the documents shall not constitute basis for a claim since the work shall be considered whole and complete as contained in the documents.

Statements in the Invitation to Bid take precedence over the specifications.

Scope of Work:

This project is to remove a 8000 gallon UST and install a New 8000 gallon UST. The current tank is used for the building heating system (#2 Fuel Oil). The contractor is responsible for the following:

- Contractor must obtain all required Permits
- Contact the State Waste Management Division 5 day prior to commencing excavation. Contractor must follow the **State of Vermont Underground Storage Tank Rules**.
- Calling Dig Safe to verify all utilities
- Follow all applicable OSHA and NIOSH standards while performing work
- Pumping/ removing any remaining fuel oil, sludge and water.
- Excavating the site to remove the Tank and any components attached to. Contractor will work with Owner's Rep for **Site Assessment documentation**. Awarded Contractor will notify Owner 5 day in advance prior to working on site to schedule Owners Rep.
- Once soil has been excavated and if the soil is contaminated the contractor will be responsible for containing/ removing from the site to an approved waste site. Bill of Laden must be obtain and given to the owner for records.
- Contractor will supply and install 8000 gallon double wall Fiberglass tank with sump per manufactures specifications as well as provide and install at least a ¾" supply and return lines from the tank to the boiler room.
- Install New Veeder-Root monitoring system and all components necessary per Manufactures specifications.
- Back fill and compact per the tanks manufacturer Specs. Contractor will provide acceptable fill per Manufactures Specs and supply owner with sieve analysis (if required).
- Grade site, topsoil and Hydro seed.
- Contractor will provide O&M Manual for all equipment, included will be the Tank Installation Check List.
- Contractor will provide Training as needed on all new equipment.

NOTE:

- 1) The contractor shall notify the owner five (5) days prior to the commencement of work.
- 2) The contractor shall be responsible for initiating, maintaining and supervising all O.S.H.A. safety precautions in connection with this project.
- 3) Prior to the commencement of this project, the contractor shall be familiar with all safety regulations and practices applicable. No additional payments will be made for equipment and procedures necessitated by these safety precautions.

2/18/19

- 4) Certificate of Insurance acceptable to the Owner shall be filed with the Owner prior to commencement of work.
- 5) Contractor will warrant material and workmanship for a minimum of one year,

INSURANCE REQUIREMENTS

Insurance provisions will be as follows:

1. Workers' Compensation
Employers Liability per State Statues
 2. Commercial General Liability
General Aggregate: \$2,000,000
Completed Operations Aggregate \$1,000,000
Personal and Advertising Injury \$1,000,000
Each Occurrence \$1,000,000
Fire Damage \$50,000
 3. Automobile Liability (Combined Single Limit) \$1,000,000
 4. Owner shall be named as "additional insured" on Bidders commercial general liability for liability arising out of Bidder's operations under this agreement. Each policy shall state that such insurance is primary and that any insurance maintained by the bidder shall be excess and non-contributory.
1. With respect to Workers Compensation Employers Liability, General Liability and excess coverage, Bidder shall require its insurer(s) to waive all rights of subrogation against Owner, its officers, directors, and employees. This waiver shall be evidenced by endorsement to Bidder's policy.
 2. Notice of cancellation or modification is amended to read thirty (30) days.
 3. Compliance with each of the aforementioned provisions shall be shown on Bidders Certificate of Insurance filed with Owner prior to commencement of work.
