

RFP for Automated Logic Controls

The Champlain Valley School District is seeking proposals to install Automated Logic controls for projects at CVU High School, 369 CVU Rd, Hinesburg, VT 05461 and Shelburne Community School, 345 Harbor Road, Shelburne, Vermont 05482. The scope of improvements for this subcontract include installing new controls for HVAC system upgrades. Both locations currently have operating Automated Logic systems installed. Project Details can be obtained by contacting Chris Giard @ 1-802-985-1930

Please submit your proposals to Chris Giard via email cgiard@cvsdvt.org by 10:00 am March 20, 2024.
